About Us

Nisarg is an intuitive, sustainable, evolutionary social enterprise where community remains centre stage. We deliver future-proof livelihood solutions to the agricultural, rural and MSME sector of India to strengthen them in terms of capacity, quality and finance. Our mission is to bridge gaps between technology, resources and skills. We support individuals, groups, entrepreneurs with custom based solution for their sustainable growth. We are pioneering different life changing technology in lives of Indian traditional artisan.

The core of our operating principles is “The Gandhi’s Talisman”. Where always the goal of our endeavors is the social, financial, and spiritual upliftment of the rural communities/marginalized farmers and entrepreneurs of our country. We believe that all our efforts should go towards creating rural, agricultural, and Industrial Ecosystems not just for today but for the consumers and citizens of tomorrow.

Nisrag Products

Nisarg Products are organic products produced, manufactured, processed & packed in India. It is exporter & supplier of 100% organic food products like oilseeds, spices, grains, herbs and pulses. We cover various agro, non-agro product supply all over the world.

Mats

The background of the slide is a collage of images related to pineapples. The top and bottom sections show several ripe pineapples with their characteristic orange-brown, textured skin and green, spiky crowns. The middle section features a semi-transparent grey rectangular box containing the title text. Behind this box, there is a close-up image of a pineapple being cut, with a white knife visible on the left side, slicing through the fruit.
